

True African Safaris

Taxidermy

True African Safaris proudly makes use of **Life Form Taxidermy** for all our trophy and tanning needs.

Please read through the relevant information below supplied by Life Form Taxidermy, regarding their process and service to you.

Receipt of Dry Salted Trophies at our Premises

Keep in mind that your professional hunter will still be required to dry and transport your trophies to our premises after you have returned home, and it may be a few months later when we receive them. Upon receipt of your trophies we will contact you immediately. We would encourage you to correspond directly with us from then onwards, as we are more readily available, and your professional hunter will most likely be out in the field on his next safari and may not be easily contacted.

Rowland Ward and S.C.I Measurements

We are official S.C.I and Rowland Ward measurers and will measure trophies on request. Trophies entered for S.C.I can be measured as soon as the animal has been hunted. As shrinkage occurs once horns start drying, we **HIGHLY RECOMMEND** that you request these measurements to be done in the field as soon as possible, so that you may obtain the most favourable score.

PLEASE NOTE: Any time frame quoted or given commences from confirmation of your order.

Confirmation of your order is when your deposit is received and all mounting instructions are received. We prefer confirmation of your order in writing. Verbal instructions given to your professional hunter, which he in turn passes on to us, or instructions received by phone can cause confusion, and unnecessary delays.

Address

U.S. CITIZENS: - USFW requires ALL export documentation to reflect your address in accordance with your social security number.

Should your delivery address differ from the above, please ensure that we receive the address to where you would like your trophies consigned. We also require your telephone, fax and e-mail details where possible, as both we and the importing agents will require this information so that we may notify you of your consignment's arrival as well as ease of communication.

True African Safaris

Payment

A 40% deposit is required prior to our commencing production on your trophies. We will invoice you for the balance due once your order is nearing completion. We prefer to receive payment in U.S. Dollars, however if this is not possible we are also able to accept the following currencies: **CANADIAN DOLLARS, AUSTRALIAN DOLLARS, BRITISH POUNDS, EUROS & SWISS FRANCS.**

UNFORTUNATELY WE DO NOT HAVE CREDIT CARD FACILITIES.

A telegraphic transfer or a cashier's cheque in the above currencies will be suitable.

Freighting

Consignments may be sent by either Airfreight, which is speedier, or Sea freight which takes slightly longer but is more cost effective. We make use of a Freight agent based in Gauteng who is well versed in the handling of game trophies, and well known to us. Should you prefer to nominate your own agent however, please notify us so that we may accommodate this request. Freight charged are to be settled directly with the Freight agents.

Insurance

All consignments are insured for a suggestion value (an amount we consider would be required for us to replace and amount the entire order) this amount can be increased or decreased in relation to the trophy value and can also be waived entirely. In the event that you would like to specify the insurance value for your consignment, this value would be used for insurance purposes.

Charges not reflected on our Price List

The charge for your crate, packing, documentation and transportation from our premises to Air/Sea Port of departure. This is calculated at a percentage of the total value of your order. Freight charges form Air/Sea Port of departure to country of destination is payable directly to the Freight agent.

For mounting examples and testimonials please visit their website at - <http://lifeformtaxidermy.com/portfolio/>
